Sub: Opting for any Exam City listed in the Information Bulletin, for appearing in the All India Sainik School Entrance Exam (AISSEE)- 2021

Submission of exam forms online for the above mentioned exam is currently in progress at <https://aissee.nta.nic.in>. The last date for submission of the exam forms is 03.12.2020.

A candidate is required to indicate 4 preferences of exam cities, in his/her application.

At present, a candidate is able to choose only the cities which are linked to the Sainik School opted by him/her, which are generally located in the same State/UT where the Sainik School opted by him/her is located. Thus, the choice of exam cities is narrow and is restricted to a few cities in the State/UT where the Sainik School is located.

It has been brought to our notice that this requirement of having to choose only those exam cities which are linked to the Sainik School of their choice, is causing difficulties for candidates.

Candidates are unable to opt for a Sainik School where they want admission, since the Exam City/ies linked to that Sainik School is/are far way from where the candidate is located, though there are other cities in their State/UT which are also listed as Exam Cities in the Information Bulletin, but are not linked to the Sainik School of their choice.

Candidates may have to travel long distances to appear in the exam in a city which is linked to the Sainik School of their choice, which is avoidable in these times of pandemic.

With a view to remove the hardship that may be caused to candidates in this regard, it has been decided to remove this restriction and allow the candidates to indicate in his/her application, 4 preferences of Exam Cities, from where they would like to appear in the exam, from out of any of the Exam Cities listed in the Information Bulletin hosted on the NTA website, www.nta.ac.in with immediate effect.

Hence, candidates will now be able to opt for any four cities from the exam cities listed in the Information Bulletin, as their preferred Exam City /ies, in their application form.

Candidates who had already submitted their exam application forms, desirous of changing their Exam City may do so, online, through the correction window which will be available from 05.12.2020 to 09.12.2020 at <https://aissee.nta.nic.in> free of cost.

Candidates may take note of the above and act accordingly.
